Congratulations

Class of 2011

Luis G. Lopes
Superintendent

On behalf of the staff, teachers, administrators, and District School Committee, congratulations and best wishes to the Class of 2011. You should be proud of your accomplishments. You graduate during a tenuous time in our country's economy. Jobs are scarce, and those who have them are keeping them.

As a graduate from Southeastern, you have a competitive edge against many others who are entering the workforce. You not only met the academic proficiency requirements, but also possess the vocational competencies for entry into the workforce or further education. Your future and success rely on two things: your willingness to be a lifelong learner and your passion for finding a lifelong vocation. I wish you well on your endeavors and hope you found a home in Southeastern during your short stay here.

Congratulations, Class of 2011. You should be proud of everything you have accomplished these past four years. Your hard work and dedication has paid off, and I'm certain each and every one of you is prepared to make your mark on this world. As a Southeastern graduate, you have the skills necessary to lead fulfilling lives in pursuit of your dreams. Whether you go on to work, college, or decide to serve our country, I know you will make us proud.

On behalf of the high school administration and faculty, I wish you success and happiness throughout your lives.

In Memory of
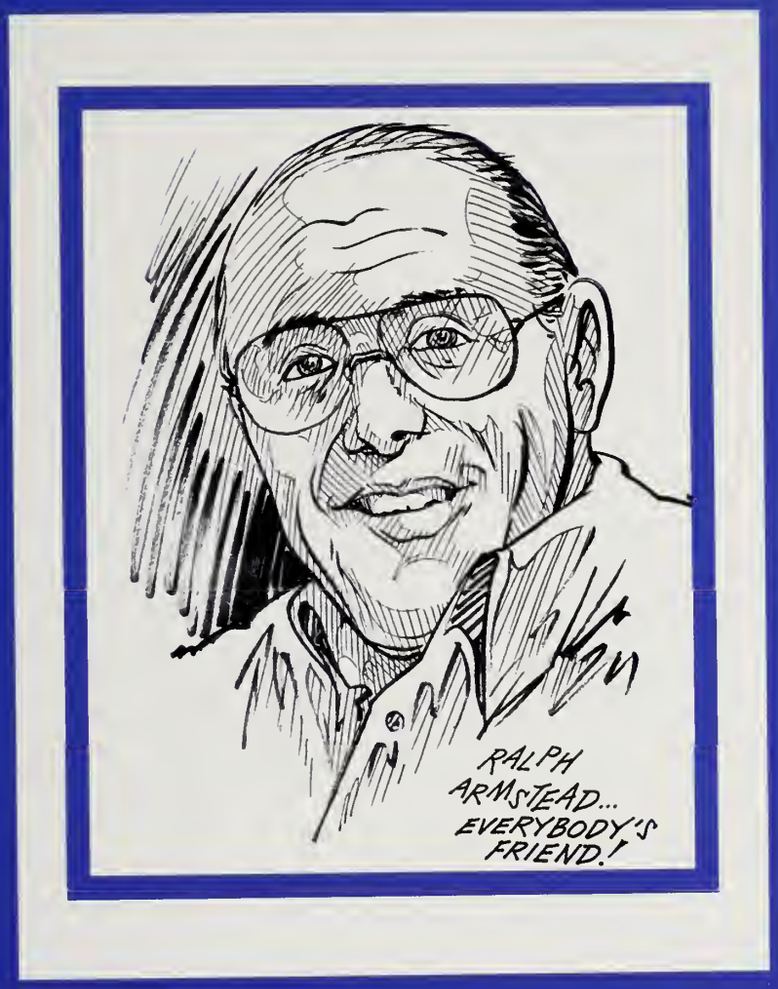
Ralph Armstead
May 5, 1934 - November 16, 2010



Ralph Armstead was a member of the School Committee of the Southeastern Regional School District for more than 37 years, retiring in June, 2010. He was a member of the Easton Grange #196, the Hundred Club of Massachusetts, and was a "Friend of the Easton Lions Club" having been honored as "Outstanding Citizen of the Year" twice over twenty years by that organization.

Ralph served in the United States Naval Reserve before he entered the automotive industry where he became known as the "Mufflerman".

Through the years Ralph became the 'ultimate resource' to many who brought their problems to him, not only providing his knowledge and experience, but products and parts from his vast, but well-organized, accumulations.

Open House

November 20, 2010

Southeastern Regionals Open House is an event held at the school where its doors are open to the general public to allow people to have a look around the school in order to gain information about our academic and vocational programs. It also helps incoming students and their parents to familiarize themselves with the facilities, and meet others, or to open informal communication channels between school staff and students,
